Mega Probiotic-ND™

- **Mega Probiotic-ND™ is a non-dairy probiotic formulation produced from an all-natural source of beneficial microorganisms and FOS to support digestive tract health.***

- **Mega Probiotic is:**

- Guaranteed to contain 5 billion microorganisms per capsule with 8 different strains from non-dairy sources!
- Recommended for children, adults and the elderly

- **Recommended For:**

- Gastrointestinal and neurological support*
- Individuals who are lactose intolerant*
- Normalizing digestion*
- Supporting regularity*

About the Formula

- **Lactobacilli** (*L. Acidophilus*, *L. rhamnosus*, *L. casei*) are located in the small intestine and produce lactic acid. Many strains of bacteria from the *Lactobacillus* family have been shown to promote regularity, support urogenital and vaginal health as well as produce the lactase enzyme and protect the gut lining from unwanted materials.*
- **Bifidobacteria** (*B.lactis*, *B.breve*, *B.longum*, *B.bifidum*) are located in the colon and produce lactic and acetic acids, making the gut a very inhospitable place for unwanted materials. Bifidobacteria have been shown to promote regularity, even while traveling abroad.*
- **Streptococcus thermophilus** is also a lactic acid producer which lines the gut wall to provide a barrier from unwanted materials, promotes regularity and produces the lactase enzyme.*

- **Fructooligosaccharides (FOS)** are considered a soluble fiber and pre-biotic, which supports the growth of beneficial microorganisms in the intestinal tract.* FOS, as a fiber, increases the bulk in the gut to promote regularity.*

Supplement Facts

Serving Size: 1 Capsule

Amount Per Serving

Probiotic Complex	5 billion CFU
Containing:	
Lactobacillus acidophilus	1.25 billion
Lactobacillus rhamnosus	1 billion
Bifidobacterium lactis	750 million
Lactobacillus casei	500 million
Bifidobacterium breve	500 million
Bifidobacterium longum	500 million
Bifidobacterium bifidum	250 million
Streptococcus thermophilus	250 million
Fructooligosaccharides (FOS)	220 mg

Other Ingredients: rice flour, vegetable cellulose.

Warning: If you are pregnant or nursing, consult your health care practitioner before taking this or any nutritional product.

- **Suggested Use:** As a dietary supplement, follow recommendations below.
Initial: Take amount below twice daily, after breakfast and after dinner until results occur.
Child: 1 capsule
Adult: 2 capsules
Senior: 3 capsules
Maintenance: Take amount above once a day after breakfast.

Sold Exclusively Through Retailers.

0300346.120 (120 Vegetarian Capsules)
