Sea Mussel™

- **Sea Mussel™ is a dietary supplement to support proper connective tissue and joint functions.***

About Sea Mussel™

- Sea Mussel™ is a *Perna canaliculus* (New Zealand Green-Lipped Mussel) supplement that provides key building blocks to support the structural integrity and maintenance of joints, ligaments and tendons.*
- *Perna canaliculus* is an edible species of shellfish from New Zealand. Research over the past 20 years shows that the perna mussel contains a combination of natural components that benefit joint dysfunction, which isolated components do not provide.* It is rich in:
 - **Amino Acids** (essential and non-essential) to support the growth and development of all body tissues*
 - **Branched-chain amino acids** (valine, isoleucine and leucine) used to provide energy directly to muscle tissue*
 - **Naturally chelated minerals** (for maximum bioavailability) to support the production of collagen, GAGs, proteoglycans, antioxidants and enzyme activity, and to support bone and skeletal health*
 - **Omega 3, 6 and 9 fatty acids** to support joint health, immune system function and skin health, and to help regulate metabolic functions*
 - **Naturally occurring glucosamine** to support the production of GAGs and integrity of the synovial fluid*
 - **Chondroitin Sulfates and Protein Factors** that work synergistically to regulate the immune response and to neutralize the effects of destructive proteolytic enzymes*
 - **Chondroitin Sulfates** to support comfort, improve joint lubrication, elasticity and vasculature*
 - **Hyaluronic Acid** to enhance the production of proteoglycans, support synovial fluid, lubricate connective tissue cells, and function as a lubricant between the connective tissues of the skin to retain moisture*

Recommended for:

- Supporting full range of motion*
- Joint flexibility*
- Joint lubrication*
- Joint discomfort*
- Strains*
- Sprains*

Supplement Facts

Serving Size: 2 Capsules

Amount Per Serving

Perna canaliculus (Green-Lipped Mussel)	1000 mg
Alfalfa Leaf	200 mg
Cinnamon Oil	2 mg

Other Ingredients: gelatin.
