

Where Science and Nature Come Together.®

FOODSCIENCE® of Vermont

Teen's Superior®

Teen's Superior® is a well balanced, complete vitamin mineral supplement for older children and young adults.

Teen's Superior® delivers 33 nutrients that are often inadequately supplied in a young adult's diet.

Important features include:

- **A balanced B Complex** to promote optimal health and help the body to better manage stress.*
- **Calcium** is provided in the citrate, carbonate and ascorbate forms for more efficient assimilation.*
- **Calcium (200 mg) and Magnesium (100 mg)** are provided in a 2:1 ratio.
- **Citrus Bioflavonoids and Hesperidin** to increase the effectiveness of Vitamin C by 50%.*
- **Folic Acid, Iron and Copper** which are blood building factors that help support red blood cell health and oxygen utilization.*
- **Lipotropic factors** such as Choline, Lecithin and Inositol to help balance fat metabolism in the body, support mental energy and help keep nerves healthy and functioning.*
- **Minerals** in forms that are in balanced ratios and in easily absorbable forms.
- **Vitamin A and Beta carotene** for immune system and skin support.*
- **Vitamin C** in the Ascorbate form for immediate assimilation and to prevent stomach irritation.*
- **Vitamin E** in the natural d-alpha form for better bioavailability.*

Teen's Superior® is:

- A cherry-vanilla flavored chewable wafer
- Yeast free
- Free of preservatives and artificial flavors
