## ThermoSet®

with Hoodia, Suntheanine® and Metabromine®

- **A Vegetarian Dietary Supplement to Support Appetite Control and Healthy Cortisol Function.\***
- **ThermoSet®** is designed to address those factors that may contribute to weight gain, such as energy level, hormone balance, slow fat burning and stress.\*
- **ThermoSet®** helps to balance Cortisol levels.\* Cortisol is the body's main stress hormone. In excess, it can cause weight gain especially around the waist and face.

### THERMOSET® SUPPORTS:

- Thermogenesis, an increased metabolic rate and energy production\*
- Proper fat metabolism and development of lean body mass\*
- Maintenance of Cortisol and blood sugar levels within normal range\*
- Appetite control and hunger management\*

### Fat Burning Support\*

- Green Tea, Metabromine, Guarana Seed, and Black Pepper support thermogenesis and fat metabolism.\* They work together to increase calorie burning and support lean muscle mass within the body.\*
- Metabromine, Eleutherococcus senticosus, Guarana Seed, and Black Pepper support energy production and offer metabolism supportive effects.\*

### Stress Management & Appetite Control\*

- Eleutherococcus senticosus and L-Theanine support stress management.\* This stress-free state of mind may help to balance Cortisol levels and support weight loss.\*
- Hoodia, Guarana Seed and Banaba Leaf Extract support appetite control and maintenance of blood sugar levels within normal range.\* They act as appetite suppressants to reduce cravings and lower caloric intake.\*
- Banaba Leaf, L-Theanine and Chromium support hormone balance and maintenance of Cortisol levels within normal ranges.\* Balanced Cortisol supports healthy weight management.\*

### Nutrients

- Banaba leaf extract contains corosolic acid, which maintains blood sugar levels within normal ranges.\*
- Hoodia Gordonii acts on nerve cells in the brain that sense glucose levels and activates them, making the body feel full.\*
- Metabromine® by Benchmark® Botanicals, provides a pleasant feeling of "Chocolate euphoria" without the calories to make dieting more satisfying.\* Both Metabromine® and Benchmark® Botanicals are trademarks of Triarco Industries.

- Suntheanine® brand L-Theanine has extensive research and documentation with over 45 studies in the areas of stress management, good mood and energy levels.\* Research also shows that L-Theanine helps to counteract negative effects of Caffeine like nervousness and jitters. Suntheanine® L-Theanine is patented and licensed by Taiyo International, Inc.
- Guarana seed naturally contains caffeine, which supports appetite control, thermogenesis, energy production and calorie burning.\*
- Green Tea has a high yield of epigallocatechin-3-gallate (EGCG), which supports metabolism, thermogenesis, appetite control and the maintenance of glucose levels within normal ranges.\*
- Chromium supports glucose levels within normal ranges and supports metabolism of lipids in the body.\*
- Black Pepper Seed Extract & Eleutherococcus senticosus support energy production and helps the body to adapt to stress.\*
